

Love is...

A feeling for someone  
Deep down in your heart

Whether relative, friend,  
or “til death do us part”.

It's standing beside them  
In sunshine or rain,

And wishing you somehow  
Could take all their pain.

It's gratitude always.  
It's wonder, reflection,

It's nature and nurture,  
Compassion, connection...

It's God's own agape...  
So selfless and pure,

That makes us feel seen,  
And wholly secure.

It's Hope, Peace and Joy, together as one,  
As we ready our hearts to welcome His Son.
